

Alaska Land Mobile Radio Interoperability Policy

1. Applicability

This policy applies to all employees, contractors, subcontractors, consultants, temporary employees and other personnel assigned to the Operations Management Office (OMO) and System Management Office (SMO) and all agencies utilizing the Alaska Land Mobile Radio (ALMR) Communications System. Any substantial revision or update of this policy must be approved by the User Council.

2. Policy

ALMR stakeholders, governing bodies, staff and member agencies will vigorously promote the capabilities needed for Alaska's emergency response agencies to talk across disciplines and jurisdictions, and achievement of SAFECOM Interoperability Continuum Level 5.

3. Procedures

The OMO and SMO will promote interoperability among all member agencies through planning, education, outreach and training, and the development of necessary plans, policies and procedures.

Interoperability/coordination among agencies will be encouraged and refined through training and exercises, when scheduled and appropriately funded.

4. Effective Date

This policy shall become effective upon signature and shall remain in effect until rescinded. The policy shall be reviewed periodically and updated, as required.
