

**User Council Action Items Status
From May 1 Meeting**

1. Mr. Ocie Adams, DOT, to provide the traffic counts for those areas underserved by ALMR coverage, per discussion. Provided to OMO, who distributed to the entire council. **(CLOSED, May 3)**

2. Mr. William "Mitch" Mitchell, JBER, to research large number of talkgroups added for recent exercise which contributed to excessive busies at the R1 North site. **(CLOSED, May 3)**
