

APX 7000L RADIO MODELS

INTENT-TO-CANCEL NOTICE

Overview

The purpose of this notification is to inform ASTRO® 25 Subscriber Owners of a cancellation of the APX 7000L (APX7000 LTE) radio models on August 31, 2017. It is recommended that last time purchases be considered at this time to cover anticipated or planned customer expansion and lifetime spare units.

APX7000L Last Order Entry: August 1, 2017

All APX7000L options on ECAT (Electronic Price Pages) will be pulled from visibility no later than August 1, 2017.

APX7000L Models Last Customer Scheduled Ship Date: August 31, 2017

No customer ship dates will be scheduled after this date.

APX7000L Last Field Service Support to align with 5-year support.
